### The Bankrupt Act.

We have been requested to publish the Bankrupt Law. This is impossible. It makes a respectable volume. In order, however, that our readers may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its provisions. But first of all, we advise our friends not to determine exactly what they will do, until they have had the counsel of a respectable and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to relieve honest, but unfortunate, debtors, whose just liabilities are greater than they can pay.

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of all their debts and liabilities, of *every kind and description whatever*, and also an inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "Forms" prescribed in the "General Orders" of the Supreme Court of the United States. These schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U. S Commissioner, must accompany the petition and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subterfuge, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set of schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the last dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to compel the Bankrupt to answer questions concerning the disposal of property or him acquired subsequent to filing a petition in Bankruptcy. In other words, the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a new leaf is turned over." On this point decisions have been variant. The safe rule appears to be, that the applicant in Bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made, from investments of his, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from the adjudication, for the discharge in bankruptcy, and in case no assets come into the hands of the assignee, or no debts be proved against his estate, at any time after the expiration of sixty days.

10 As soon as an Assignee is elected or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz: "Household and kitchen furniture and other necessaries not exceeding in value ($500) five hundred dollars; also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process by the laws of the state in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1867. A safe Commissioner suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupts in this State can have allotted to him, free from the operation of the Act, exceeding $700 besides wearing apparel of himself and family. Bankrupts in this State are not entitled to homesteads under this Act.

11 It is the duty of the assignee, within twenty days after the assignment to him is made, to add to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 46 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets, the fees of the Messenger will be paid by him before any dividend is made among creditors.

13 Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of malfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes, as to the time to make application in Bankruptcy. Some have supposed that no debtor will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness, in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

The above is a fair specimen of the kind of ballot to be cast at the approaching election by the Conservatives.

THE IMPEACHMENT.—We regret that our columns are so occupied with matters immediately and vitally affecting our State interests, that we are unable to give such details of the pending impeachment trial as we could desire. We shall endeavor to give our readers, however, day by day, a fair idea of its progress. Thus far, nothing of especial interest has transpired,—certainly nothing damaging to Mr. Johnson. But the entire argument and course of the prosecution have developed the purpose to ignore law, justice and the rights of the accused, so that a partisan triumph may be achieved. Andrew Johnson is no longer on trial for "crimes" committed against the Constitution and laws, but he stands arraigned before the highest legal tribunal of the land to answer for offences committed against a political organization. If, perchance, a sufficient number of sober-minded Senators can be found to prevent the consummation of the great wrong which is designed, the country will be able to congratulate itself on a narrow escape from a precedent, which would inevitably lead to anarchy and despotism.

HOLDEN'S MENDACITY.—We are informed, by a respectable gentleman, who attended the Radical meeting in the Court House, on Thursday night last, simply to hear, that Holden declared if the new Constitution should be defeated, and if the Conservatives succeeded, that the negroes might expect again to be thrown into slavery, and that he warned them to rally to the support of the Holdenites and the Constitution. If Holden made this statement, he knew it was false when he made it. He knows that the Conservatives have no quarrel with the Radicals about the *freedom* of the blacks, nor about their enjoying equal civil rights. In these particulars the negroes can rely with more confidence upon the Conservatives than upon the Radicals. Our quarrel with the Radicals is against the fanatical doctrine of negro equality, which means nothing but *negro supremacy* in the South.

GEO. W. LOGAN, (ex-member of the Confederate Congress,) Radical candidate for JUDGE in the 11th. District, said, in a speech a few days ago: "If we can't beat them (we presume he meant, of course, the *white men*) with the negro vote, I am for disfranchising more of them and enfranchising the *dogs!*" Logan is a shining light with the scallawags. Such is their feeling towards their own color, which they have deserted and of which they *are ashamed!* *Judge* Logan! "An ounce of civet, good apothecary."

WHEN HOLDEN visited Fayetteville, to address the negroes and scallawags, Col. Hall, our candidate for Lieut. Governor, through the Conservative Executive Committee, asked for a division of time. The X. P. G. *backed.*

THE REGISTRATION lists will be re-opened to-morrow. REGISTER! REGISTER!!

## WHAT THE YANKEE SQUATTERS AND NORTHERN BOND-HOLDERS WANT.

We call the *special attention of our Canvassers* to one fact, and we ask the people of North Carolina to think of it:

The *new* Constitution is the work mainly of the Yankee delegates, who were in the Convention, aided by Yankee lobby-men here in the interests of the Northern bondholders, &c. This class of men, both in and out of the State, are interesting themselves in the ratification of the new Constitution. Quite a number of the canvassers in the State are Northern men, and it is understood that Northern greenbacks are plentiful to carry the Constitution.

*Why is this?* Why are Northern bondholders, and Yankee squatters in the State so anxious to give to North Carolina such a Constitution as the Mongrel Convention has provided? Is it because they are such strong friends of the negro? Not at all. *They care nothing for the negro,* except to serve their wicked designs. Negro suffrage in the North, gives the negro no political power there. In the South, it is NEGRO DOMINATION, unless Yankee money and Yankee ingenuity can prevent it.

Gen. Abbott, Gen. Littlefield, Col. Hoxton, and Northern men generally in this State, hoot at the idea of negro domination in North Carolina. They intend to checkmate the negro, but, in order to do so, they must blind the negro for a while. It is well known that the negroes are generally opposed to foreign or Northern immigration to the South. Their bread and butter depend upon keeping the white laborer out of the South. But what is to be the effect of adopting the new Constitution? Why, Gen. Abbott, and other Northern men, and the Radical press, utter the same cry, "Let us pass the Constitution and get into the Union, and we shall have a flood of emigration from the North and from Europe, that will enrich the State and make North Carolina prosperous." Why is it that this state of things does not prevail in Tennessee? Why is it that Tennessee is not a great, growing State? Simply because Tennessee is under NEGRO RULE. Northern men or Europeans are not coming South, to be ruled by negroes. But how is this matter to be managed?

Why, the plan is, to ratify the new Constitution. This will at once throw large amounts of property into market, to be BOUGHT UP BY NORTHERN MEN, who have the money. Already this is the case in various parts of the State. Lands that are sold at one-fifth and one-tenth their value are not bought up by the poor men of the State, nor by permanent settlers, but by NORTHERN SPECULATORS. Already there are Northern Companies being formed, with large capital, for the purpose of buying up lands sold for a mere song in this State. These lands will be sold by these Northern Companies to Northern settlers, at cheap rates, but at a large profit to the Company, and the country is to be flooded with this class of settlers. Such a state of things may ultimately make North Carolina a rich State, but, in the mean time, what is to become of the native poor white men, whose property has been taken from them to pay taxes to Northern bondholders? What is to become of the poor negro, in the mean time, who is too poor to buy land and too poor to pay taxes? These same professed friends of the negro will then say "*drive him out*—DRIVE HIM OUT,"—and where will he go? To black and white we say: DOWN WITH THE NEW CONSTITUTION.

BULLETS vs. BALLOTS.—We are informed that Gen. *Little*-field, the Northern speculator, who is said to have had the principal manipulation of the financial wires of the late mongrel Convention, and who so worked them as to overwhelm North Carolina, (if the Constitution is adopted,) with TAXATION, threatened our people with the Federal army, in the speech he made in the Court House, a few nights since, if they should vote down the monstrosity! We understand that he said the Reconstruction policy of Congress would be forced upon us by *bullets*, if it could not be done by *ballots*. We thought that Congress had graciously given us an *election* in this matter. What *Little* field probably meant was, that he, and the class whom he represents, are so deeply interested in forcing the people, *by crushing* TAXATION, to part with their lands and other interests, in order that they may be bought up by NORTHERN SPECULATORS, that they were willing to *fight* for the advantage, and would use all their influence to induce the Radical Congress to take our property, by force of arms, if we were not willing to have it *taxed away* from us! All this is contemptible bluster and will hardly frighten even children.

IT is the old highwayman's demand of "Your money or your life!" By a proper display of firmness, fellow-citizens, you will, as in all similar cases, save both, and overwhelm the freebooters with shame, confusion and defeat!

OUR TROUBLES.—A venerable former citizen of the State, who, many years ago, was prominently identified with our politics, writes us, thus feelingly, from his present residence in the North, under date of the 1st. inst.:

"The terrible political throes your unfortunate State is undergoing, from the *Reconstruction* ordeal gratuitously thrust upon her, painfully excites mine and my family's anxieties and sympathies, for her deeply afflicted political condition, and the almost irrecoverable prostration of her material interests.

And your weekly recital of those woes is distressing to us; yet we read that recital with a melancholy interest, to watch the progress and trace the *denouement* of the awful political and social revolutionary struggle you are now in the midst of. May Heaven give your State a safe deliverance from her thraldom!"

GRAND Conservative Mass Meeting in Tarboro, on the 18th. inst., (Saturday.)

DOWN WITH THE CONSTITUTION—That is the watch-word of the white men of North Carolina.

MACAULEY has given some pretty good photographs of a very bad Frenchman, Bertrand Barere. Some of these we propose to copy—they are so *suggestive*. Barere was the most unmitigated *sans culotte* Radical during the reign of terror in France. Macauley believes that he stands alone in depravity—that "none but himself can be his parallel." Could he come *among us*, he would correct his opinion. We know one who can beat him in the race of rascality, by about half a neck.

Barere is represented to be of humble parentage; had some smartness; was educated for the bar; was a sort of a poet, and wrote panegyrics on great men, delivered addresses to sundry academies, and sometimes before agricultural associations; edited a journal called the "*Point du Jour*," in which the debates of the Assembly were reported; and in his thirty-fifth year became a politician, (which spoiled him.) He espoused and successively deserted every party; he made friends, and betrayed every one. First a member of the *Tiers Etat* he was deemed too loyal to the King, from whom he had received some flattering notice. In a few weeks he deserted the King, and joined the Girondists, who were then the moderate revolutionary party. He soon after quit the Girondist members, nearly one-half of whom he sent to the guillotine—and attached himself to the Jacobin or "Mountain" party, and led them on to the murder of the King, and of the beautiful Antoinette, whom he could now only afford to call "that Austrian woman." He next turned against his associates of the "Mountain," had several of them executed, and became one of the *bloody six* who composed the "Committee of Safety," under whose orders were perpetrated the most diabolical acts of outrage and wholesale murder. This Committee at last fell into danger. Three of them, viz: Robespierre, St. Just and Couthon, were denounced by Barere, and forthwith their heads rolled into the basket. The shrinking coward, to save his own carcass, then affected mercy, and sought to be re-instated among the Girondists. His application was scouted, and the loathsome wretch was banished from his country. He returned when Bonaparte became First Consul, and sought employment. He was employed as a spy, and being soon suspected of spying *double*, was dismissed in disgrace, from even that miserable trade. At the Bourbon restoration, he became loyalist again. He lived 85 years and then went to his own place.

With this summary of the life of this execrable creature, we propose to copy several of Macauley's pictures. *Let him, whom the cap fits, wear it.*

TRACT No 2.—We learn that Tract No 2, issued some time ago in the *Sentinel*, and since published in tract form, is opening the eyes of the people, as well as the eyes of the Yankees, in regard to the heavy taxation, authorized by the new Constitution. Does any body dream, for a moment, that the people of North Carolina, in their impoverished and helpless condition, can pay $2,600,000 taxes, and upwards, in a year? It is morally impossible, without subjecting three fourths of the real property of the State to utter sacrifice, under the Sheriff's hammer.

*Congress dare not so outrage the moral, social and political sentiment of the country as to remove the disabilities of this self confessed traitor (Holden);* THEY DARE NOT PARDON THIS INSTIGATOR OF THE MURDER OF PRESIDENT LINCOLN.—*Wil. Journal.*

Take care, friend Engelhard. Have you not seen what "the honorably discharged officers and soldiers of the United States army" say? commencing with Gen. Abbott and ending with Tim Lee,—Alpha and Omega!

[Special Dispatch to the Baltimore Sun.]

## *THREATS OF IMPEACHMENT OF JUDGE CHASE—PROGRAMME OF THE VETERAN IMPEACHERS—DIFFICULTIES OF MR. STANTON AS A WITNESS, &c.*

WASHINGTON, April 3.

We have further threats of the impeachment of Judge Chase, from the extreme Radicals. Some Radical Senator this morning said to an acquaintance, "Wait till we get rid of the President, then look out for Chase. We will impeach him sure." A class of Senators have been very free in expression of opinion as the trial progresses, but they are of the pronounced original impeachers, and their position has not at any time been misapprehended. As yet none of the Senators whose position is doubted by the extremists have made known their sentiments as to the merits or demerits of the impeachment, and this fact has so disturbed the impeachers that they have determined to make assurance doubly sure for the conviction of Mr. Johnson, in the pending trial of impeachment, by themselves asking for a postponement of the trial, so that they may be enabled to get the benefit of the vote of the Senators from Arkansas and possibly the Colorado 8 nators, through the admission of that State and the Territory of Colorado as a State. Such postponement of hearing will not be urged until it shall be shown that the President's counsel are not disposed to ask for further delay.

This project is seriously entertained by a portion of the members of both houses, but none save this class believe that the plan can succeed.

It is admitted by the impeachers in private conversation, that their position is weakened daily by the developments of the impeachment trial, and that, if the case shall be determined upon the law, the facts and simple justice, they have no case; that the impeachment project had its greatest strength in its inception, and has become weaker at every mention of it thereafter. But as a great party measure it must be sustained, and hence the proposition to so organize the Senate as to secure the conviction of Mr. Johnson.

Mr. Stanton is regarded as a material witness in the trial, and as he has insisted upon remaining corporeally in the War Department building, continuously and uninterruptedly, the difficulty about getting him before the Senate, without doing violence to his legal notions of holding possession of the Department, has given himself and the impeachment managers profound concern. How the problem may be solved has not transpired.

WHICH IS BETTER, a Government administered by intelligent and virtuous native WHITE MEN, or a Government administered by needy squatters, ignorant Africans and impudent allies of mixed blood?

## *LETTER FROM THE HON. WILLIAM A. GRAHAM.*

HILLSBORO, April 1st., 1868.

*Gentlemen:*—Your letter of the 20th. ult., inviting me to visit Rutherford and address the people on the issues pending in the approaching election, arrived here during my absence from home; and since my return, with an anxious desire to accept, I have delayed an answer until this time, hoping that it might be in my power to do so, and to appoint a day.

But I regret to inform you that appointments have been already made for me, which, with a few engagements of business, will consume the time till the days of election.

I beg the people of Rutherford and the adjacent counties to believe that there is no part of the population of the State, with whom I should take greater interest in conferring on the present state of the country, than myself; and if time permitted, I should not feel at liberty to decline a compliance with their wishes.

The Convention, called under the authority of Congress, and which has sent out a proposed Constitution for the consideration of the people, has been very sparing in its allowance of time. With an injunction in the Act, that not less than thirty days should be given, the Convention, by its action, would appear to have understood this as an intimation, that no more than thirty days should be permitted for the deliberations of the people, on an instrument, which this body was more than sixty days in framing, and which, if carried into effect, will make a revolution in almost every essential feature of the State government. The Convention of 1835, called by the people of the State under an act of their legislature, and which proposed a few amendments of the old Constitution, allowed four months (from July to November) for the examination of those amendments by the people, before they were required to vote on their ratification or rejection. Such was the example of Macon, Gaston and their great compeers; such was their care and anxiety, that the Constitution, the fundamental law, in all its parts, should have the approval of the sober sense of the people, and, if not approved, that their work should be rejected. And had the recent Convention sprung from the people, as did that; had a majority of its members been in sympathy with and dependent on the communities they professed to represent; had they expected to be governed by the regulations and to bear the burthens they were making provision to impose on others, a like extension of time, and regard for the deliberate sense of the people, might have been expected from them. But, instead of being the servants of the people, in the ordinary sense of popular representatives of the whites, who have always exercised the powers of government heretofore, they were far more the servants of that majority in Congress which called the Convention into being, upon a basis of constituency never authorized by the governing authority of the State, and more solicitous of approbation in that quarter, than among the free white people at home. But as if to complicate affairs and confuse the popular mind, each elector, in addition to voting for or against the Constitution, is required, at the same time, to vote for some forty or more officers under the State government and for members of the Legislature and Representatives in Congress. A negative vote in this condition of the matter is prompted, not only as a rebuke for the denial of time necessary for a proper understanding of the changes proposed, as well as to cut off the many new, unnecessary and expensive offices it is sought to establish.

On looking into the Constitution offered for adoption, the objections are so numerous and decisive, that it is impossible to particularize them all in the brief space of a letter. I am gratified to see that this task is being well performed in the discussions of the public press and orally. I beg leave to bring to your attention one of these objections, which, so far as I know, has not yet been publicly commented on.

Article VI, section 3, reads as follows:

"It shall be the duty of the General Assembly to provide from time to time for the registration of all electors, and no person shall be allowed to vote without registration, or to register without first taking an oath or affirmation to support the Constitution and laws of the United States, and the Constitution and laws of North Carolina, not inconsistent therewith."

Here is a provision which deprives every citizen of the State of his birthright as an elector, until he shall re-establish his title to it by an oath, and that an oath which no conscientious man can take. No person shall be allowed to vote without registration, nor be registered, without first taking an oath or affirmation to support the Constitution and laws of the United States and the Constitution and laws of North Carolina not inconsistent therewith.

When was an oath of any kind ever before required as a qualification for voting? Men who were appointed to office and were required to take part in administering the Government in any of its departments were very properly required to take an oath of office, as well as the oath to support the Constitution of the United States and of the State; but no oath was ever required of an elector as a condition of his right to vote. As the natives of the State arrived at years of majority, they acquired the right to vote on paying a trifling tax, as they became competent to make a contract, by mere age and residence; and thousands upon thousands of them have lived and died without ever taking any oath, unless called to testify in a Court of Justice. It was in this sense, that our people rejoiced in the idea, so opportunely expressed by St. Paul on a memorable occasion, that they were "free-born." This Constitution proposes that hereafter they shall only acquire this privilege by being sworn. If the oath were merely to support the Constitution of the State and of the United States, while it would be an innovation, and a useless multiplication of oaths, to the detriment of religion and morality, there would be no objection to it, in point of conscience. But is it not the most ridiculous of all absurdities, to require a man to be sworn to support all the laws of the United States and of the State? Laws are public or private, criminal or civil, and, in this country, constitutional or unconstitutional. The statutes of the United States, independently of the law of nations, admiralty, common law and equity, as adopted by the Constitution or by acts of Congress, fill more than a dozen heavy volumes; and the laws of the State, embracing the common law of England in law and equity, are far more voluminous. Either is the study of a learned profession for a life time. Yet every man, as a condition of being restored to his birthright in the elective franchise, is to take a wholesale oath to support all the laws of both these Governments. Who will swear that he will never break the peace, no matter on what provocation, that he will always keep his fence five feet high in crop season, that he will never break a contract or trespass on the lands of his neighbor even by cutting a riding switch? Who ought to be required to swear to any such nonsense? In what respect will oaths, "being most solemn appeals to Almighty God as the Omniscient Witness of truth and the just and Omnipotent Avenger of falsehood,"—in what respect will oaths be held among a people, who will bring them into ridicule and contempt, by swearing as this Constitution requires? Will it not be true, as affirmed in one of the veto messages of the President, that we have been humiliated to degradation and then laughed at for the quietude of the submission?

I have not leisure to pursue this topic, nor to notice the numerous other objections to the document sent forth for the consideration of the people; its extravagance of expenditure, its heavy exactions in the way of taxation, its changes in our judicial system, multiplication of offices, &c., &c.

My most earnest recommendation is to reject it.

I am, Gentlemen, with great respect,
Your Ob't Serv't,
W. A. GRAHAM.

MESSRS. Jos. L. Carson, Z. L. Deck, T. P. Erwin, W. H. Miller, &c., &c., Committee.

WHICH IS BETTER, a system of State government, devised by Gaston, Macon, Daniel, Morehead, and other *North Carolina* patriots, or a system devised by New England adventurers, based upon Yankee notions and prejudices, adapted to New England wants, and adopted by scallawags and negroes?

FOR CONGRESS,

SAMUEL T. WILLIAMS,

OF GRANVILLE.

### Mass Meetings.

The State Executive Committee recommend the holding of Conservative Mass Meetings at the following times and places:

| | | | |
|---|---|---|---|
| Statesville, | Tuesday, | April | 7 |
| Greensboro', | Friday, | " | 10 |
| Wilmington, | " | " | 10 |

☞ We call the attention of the Conservative press and people to the changes made in the above arrangement for the mass meetings. It is suggested to those Conservatives living where the mass meetings are to be held, who make arrangements for the meetings, to be sure to write and secure the attendance of some of our own Speakers, on these occasions, in order that there may be no disappointment. Our friends in Congress may be expected, unless the public interests prevent.

*SAML. T. WILLIAMS, ESQ.*

The Conservative candidate for Congress in this District will address the people at the following times and places:

*CONSERVATIVE CANVASS.*

Col. E. D. Hall, candidate for Lieut. Governor, will address the people at the following times and places, viz:

Hertford, Perquimans county, Thursday, April 14th.

Elizabeth City, Pasquotank county, Wednesday, April, 15th.

South Mills, Camden county, Thursday, April 16th.

### Postponement of Mass Meeting!

Owing to the fact that it has been found that the Mass Meeting, proposed to be held in this City, to-morrow, seriously conflicts with the meetings to be held at other points, it has been determined by the Executive Committee to postpone it until further notice. It is hoped that this announcement occurs in time to prevent inconvenience.

Most of our prominent speakers had accepted invitations to be present at the other points, before being requested to be in this City, to-morrow. Hence, and for other reasons, the necessity of the postponement.

At a later day in the canvass, it is the intention to have a grand and rousing Mass Meeting in Raleigh, at which some of the first men in the State may be able to be present.

MASS MEETINGS at Lincolnton, April 13th; Rutherfordton, 15th; Shelby, April 17th; Dallas, Gaston Co., April 18th. Prominent and distinguished speakers will be present, and the people will be there by thousands. ROLL ON THE BALL! *The work goes bravely on!*

THE DISTRICT Convention of the Sixth Congressional District appointed Hon. Z. B. Vance and Col. J. M. Long, as delegates to the National Democratic Convention, with George F. Davidson and Dr. A. M. Powell, as Alternates.

JAS. H. IRWIN, ESQ., of Mecklenburg, who was nominated by the Rads as one of their candidates for County Commissioners, is out in a card declining. He says that he can neither affiliate with the objects of that party nor vote for the ratification of the Constitution.

THE LADIES of the Wake Memorial Association are requested to meet at the Presbyterian Session Room, this morning, at 11 o'clock.

NEW ADVERTISEMENTS.—Attractive arrivals at S. D. Harrison's, Fayetteville Street. Read his advertisement, and give him a call. He keeps always on hand an excellent supply.

Printers' News Ink, in kegs of 50 and 25 lbs., each: Address Editors of the *Sentinel*. Hay, Bacon, Flour, Sugars, &c: Upchurch & Dodd, Market Square. We welcome this firm to our advertising columns, and take pleasure in commending it to the public. They have a large and commanding stock, which is daily receiving fresh accessions.

Meal, Green Corn and Peas, (canned,) Peaches, (canned,) English and French Mustard, and Buckwheat—the last of the season: Douglas Bell, Fayetteville Street.

GREASY SAM'S OBITUARY.—At a late scalawag meeting in Martin, the following resolution was offered by Abner S. Williams, and adopted (says the official account) "with the greatest enthusiasm:"

*Resolved by this meeting*, That the thanks of the Republican party of Martin County be and is hereby tendered to their late able representative, Col. S. W. Watts, in the Constitutional Convention, at Raleigh, for the fearless manner in which he discharged his duties. That while they are deeply pained at his loss from their council, yet they are *comforted with the consoling thought that their loss is his gain.*

This is in the usual obituary style. Abner should have added:

Here lies the body of poor Sammy Watts,
We lament that his labors must cease;
He died, as he lived, among the *flesh pots*,
And there's nothing left of him *but grease!*

By the way, is this *Abner* the same *Abner*, who, while editing the Williamston *Expositor*, in 1866-'66, predicted that Confederate money would be good again in two years, and who wanted to "clean out" the *Sentinel* office for not publishing, with sufficient promptness, his resolutions of sympathy with Mr. Davis, introduced in the Legislature of 1865-'66?

SUPERIOR COURT.—This tribunal is still in session—His Honor, Judge Barton, presiding. On Friday morning, the case of the State vs. Alex. Willis, Anthony Jackson and Henderson Taylor, three negro soldiers, was taken up. These negroes are charged with the killing of another colored man, Anderson Selby, in this City, in December last. Up to Saturday night, the examination of witnesses had not been concluded. It is doubtful whether the trial can be finished to-day.

The Attorney General, Hon. Sion H. Rogers, conducts the Prosecution, and Hon. D. G. Fowle and Col. E. G. Haywood appear for the Defence. Both sides are conducting the case with ability.

THE CANVASS IN WAKE.—A correspondent informs us that only about twenty negroes, and half as many whites, were present at Morrisville, on Friday, to hear the Radical county candidates. Morrisville is "right side up with care."

We learn that our candidates spoke with fine effect to a large crowd, at Auburn, on Saturday. There will not be a white vote cast for the Radical candidates or for the infamous Constitution in that District.

COL. HALL IN FAYETTEVILLE.—Our gallant candidate for Lieutenant Governor had a reception in Fayetteville, worthy of that goodly town and worthy of himself. He was met, beyond the limits of the town, by a cavalcade of mounted citizens, and escorted, in an open carriage, to the Town Hall, where he was warmly welcomed, amid enthusiastic cheers, by Maj J. C. Dobbin, President of the Conservative Club. He was then conducted to the Hotel, where quarters had been provided for him.

The *News* speaks of his speech to the people, on the following day, in the highest terms of eulogy. The people were also addressed by Maj. Dobbin and the Hon. T. C. Fuller. The occasion, altogether, was a glorious one. Push on the columns!

CHATHAM.—"Hickory Mountain" sends us a sketch of the X. P. G's speech at Pittsboro, but it has been anticipated by one already published.

Our correspondent says: "You may rest assured that old Chatham is aroused and will do her duty in this life and death struggle. We intend to throw off the disgrace that attaches to our former apathy.—Scores of white men are leaving the leagues."

MISCEGENATION AND DECENCY.—At a late Radical nominating meet in Randolph, a negro, named Jno. May, who *had married a white woman*, was nominated as one of the candidates for County Commissioners. His name was subsequently stricken off, at the request of the negroes present. The radicals nominated him and the darkeys disowned him. This furnishes additional confirmation of the general opinion, that the negroes constitute the most decent portion of the Radical party!

A LIBEL.—The Warrenton *Indicator* says that Jno. Read, of that county, who was a member of the Committee in the Mongrel Convention, that reported the vile and degrading Educational Article, pleads, in extenuation of his course, that he supposed it was all right, inasmuch as it was, for the most part, drawn by Hon. D. L. Swain.—We believe the assertion to be a calumny.

GREASY SAM WATTS made an incendiary harangue to the negroes of Williamston, a few days since, inflaming them to the highest pitch. Not satisfied with this, he *treated* them all to liquor, and scores of them roamed the streets in a state of wild intoxication, to the disturbance and terror of the community. And this man is a Radical candidate for JUDGE! What a commentary upon the elective system and upon Radicalism!

GRAND Conservative Mass Meeting in Henderson, on Friday, the 17th. inst. A free barbecue is to be provided.

REV. T. B. KINGSBURY, of the Warrenton *Indicator*, writing to his paper from Oxford, states, "as an evidence that the cause of virture, liberty and justice is gaining adherents, Dr. Eugene Grissom, for some years a satellite of the luminary Holden, has recently expressed himself as quite ashamed of his position, but that, having gone so far, it was too late to retract. Something like this, we learn, has been the confession he recently made to two or three white men."

GOV. GRAHAM'S LETTER.—We are sure that we need not direct attention to the admirable letter of Gov. Graham, to which we call attention in another column, to a Committee of the citizens of Rutherford. It discusses the "ex-ile" feature of the infamous Constitution, which has not heretofore received the notice which it merits at the hands of the Press.

HON. JOSIAH TURNER, Jr., will address the people at Troy, Montgomery County, to-morrow, and then at the following times and places in Moore: Carter's Mills, 8th; Bear Creek, 9th; Egypt, 10th; Little Hope, 11th.

### CONSERVATIVE MEETING IN CLEAVELAND.

At a meeting of the Conservatives of Cleaveland County, held in the Court House, in Shelby, on the 28th of March, D. Froneberger, Esqr., was called to the Chair and Dr. J. C. Gidney and Maj. H. F. Schenck requested to act as Secretaries.

Col. L. M. McAfee explained the object of the meeting to be a more thorough organization of the Conservative party of Cleaveland County and to make nominations for the County offices.

Committees were appointed at each precinct, to take charge of enrolment, registration and local organization in their respective Districts.

Capt. Plato Durham, being called for, responded in an earnest and patriotic speech, explaining his action in the Convention and urging the people to vote against the Constitution.

The following resolutions were adopted:

*Resolved*, That the thanks of this meeting, and of the County of Cleveland, are due, and are hereby cordially tendered, to Capt. Plato Durham, for his noble and patriotic course in the late Convention of the State of North Carolina.

*Resolved*, That the Conservative men of Cleaveland County heartily endorse the principles and platform of the Conservative party of North Carolina and the nominations of the State Executive Committee for the State at large, hereby pledging themselves to their support.

The following nominations were made:

*For the House of Representatives*—Capt. Plato Durham.

*Superior Court Clerk*—B. F. Logan, Esq.

*Coroner*—Col. E. McBreyer.

*Sheriff*—J. Z. Falls, Esq.

*Treasurer*—E. H. Fulenwider, Esq.

*County Commissioners*—J. R. Logan, J. C. Lattimore, D. Whisenant, G. M. Green, Isaac Oates.

*Register*—C. Carpenter.

*Surveyor*—R. W. Falls.

The following resolutions were then adopted:

*Resolved*, That the Chairman of this meeting appoint ten delegates to meet the delegates of Rutherford and Polk Counties, to nominate a Senator for this Senatorial District, and that this meeting recommend Col. Lee M. McAfee as a suitable person, subject to the action of the delegates of the District.

*Resolved*, That the Committee appointed to nominate a Senator shall attend the meeting to nominate Solicitors and member of Congress, together with those already appointed on these Committees by the State Conservative Convention.

The following delegates were appointed: Maj. H. F. Schenck, J. C. Lattimore, Esq., Dr. J. W. Tracy, Dr. W. P. Andrews, Dr. W. J. T. Miller, Dr. Thos. Williams, C. C. Durham, Esq., J. Z. Falls, Esq., Capt. J. W. Gidney, Maj. H. D. Lee, and Maj. H. Cabaniss.

On motion, the Chairman, D. Froneberger, Esq., was added.

*Resolved*, That a copy of the proceedings of this meeting be sent to the Raleigh *Sentinel* and Western *Vindicator* for publication and that Conservative papers be requested to copy.

D. FRONEBERGER, *Chm'n.*

J. C. GIDNEY, H. F. SCHENCK, } *Secretaries.*

The delegates of Cleaveland will meet the delegates of Rutherford and Polk, at Rutherfordton, on Saturday, the 11th of April, to nominate a Senator for this District.

### CONSERVATIVE MEETING IN NORTHAMPTON.

At a meeting of the Conservatives of Northampton, held at the Court House, in the town of Jackson, on Saturday, the 28th March, 1868, on motion, Dr. W. S. Copeland was appointed Chairman, and J. N. Ramsay and J. S. Grant were requested to act as Secretaries.

The object of the meeting having been explained, by R. B. Peebles, to be for the purpose of effecting a more thorough county organization, in accordance with the plan recommended by the State Convention, and for nominating suitable candidates for the different county offices, the Chairman appointed a Committee of five persons, from each Captain's district, to take charge of all matters of registration, to ascertain the names of all white persons, who have failed to register, and their reasons for not so doing.

On motion, a Committee of twelve was appointed to prepare business for the consideration of the meeting, and to make suitable nominations.

Pending the deliberations of the Committee, the meeting was addressed by the Chairman, followed by Mr. R. B. Peebles, in neat, eloquent and patriotic speeches.—Both speakers, after dissecting, with great tact and ingenuity, the body politic of that monster offspring of Radical malignity and stupidity, dignified with the name of *Constitution*, and drawing a striking contrast between the early return of our domestic peace, prosperity and happiness, the safety of our civil, political and religious liberties under a wise Conservative government, and the political ruin and social degradation, which would inevitably follow the success of the Radical party, they appealed, with ardor and earnestness, to the good people of the county, to vindicate their wonted honor and pride by rejecting the proposed Constitution.

The Committee to prepare business for the action of the meeting soon made their appearance, and reported, through their Chairman, the following resolutions, which were unanimously adopted:

*Resolved*, That all white men of Northampton county, who can and have not heretofore registered, ought to register, and that all true North Carolinians ought to vote against the ratification of the new Constitution.

*Resolved*, That the following be the County candidates: For the Senate, A. J. Harrell, Esq.; For the "House of Representatives," Dr. Jno. C. Jacobs and E. A. Martin; For Sheriff, Wm. T. Stephenson; For Superior Court Clerk, Wm. H. Hughes; For County Trustee, J. H. Barham; For County Commissioners, Wm. Bean, Edmund Jacobs, Dr. W. S. Copeland, Wm. Grant and R. H. Garner; For Register, J. B. Motley; For Coroner, William J. Maddry.

*Resolved*, That we heartily endorse the nomination of Hon. Thos. S. Ashe for Governor and pledge to him our unanimous support. We also approve all the other State nominations of the Conservative party.

*Resolved*, That Hon. Matt. W. Ransom, W. W. Peebles and R. B. Peebles constitute a Committee, to invite the Hon. Z. B. Vance to address the people of the County, at their Court House, between now and the coming election.

There being no further business, the meeting adjourned.

MCDOWELL COURT.—Intelligence from Marion, last week, states that McDowell Court was well attended.

Gov. Vance, the irrepressible Zeb, delivered a speech on Tuesday, and as usual delighted his audience. Several attempts to interrupt him were made by some "negro equality" persons; but they were promptly "squelched."

Maj. Mark Erwin spoke on Wednesday; subsequently there was a harangue from the late Confederate Congressman (Gen. Logan,) and the Radical aspirant to the Lieutenant-Governorship (Todd Caldwell). We learn that neither of the last named were very happy in their efforts, but were particularly unhappy at the reception they met with.—*Rutherford Vindicator.*

A MISREPRESENTATION.—We learn, through a most respectable and influential source, that Col. Wm. Bynum, of Lincolnton, N. C., who has been announced as the "Republican candidate" for Solicitor, disapproves of his nomination in that form. He is not one of that party. His announcement as a candidate of that party is unauthorized.—*Charlotte Bulletin.*

HON. THOS. C. FULLER.—We publish in this issue a list of Mr. Fuller's appointments, beginning at Lumberton, on the 7th, at Clinton, on the 11th, he will meet Lieutenant-Colonel Dockery, late of the Confederate army, and from that time to the close of the canvass he will skin Oliver from his head to his heels. We pity the Lieutenant-Colonel, but he has nobody to blame but himself.—*Wil. Star, 3rd.*

NOCTURNAL AMBULATION.—On Wednesday night last, some time between the hours of 8 and 9 o'clock, two white scalawags were seen wending their way to the house of a black scalawag named Smith, accompanied by two little piccaninnies. Wonder what they went for? Some business connected with the league, we expect. We hope they spent a pleasant evening with their black brother.—*Charlotte Times.*

SHALL NEGRO GUARDIANS BE APPOINTED FOR WHITE WARDS? *That is one of the issues.* The so-called Convention voted down a prohibition of this possible outrage!

## Our Afternoon Dispatches.

### FROM WASHINGTON.

WASHINGTON, April 6, P. M.

The Senate met at 11 o'clock, to-day, and the question of admission to the galleries was considered. The abolition of the ticket system meets opposition. Conness said the "rebellion" was rife as ever in Washington, and to free admission would be dangerous. Question postponed. The Court then resumed, reading of importance occurring as yet.

The Republican candidates have been elected in Arkansas by 3,000.

### NEW GOVERNOR FOR VIRGINIA.

RICHMOND, April 6, M.

Gen. Henry H. Wells, of Alexandria, was this morning appointed Governor of Virginia (vice Pierpont) by Gen. Schofield.

He has been residing in Virginia only since 1862—is a Michigander and was a Brigadier in the U. S. army.

He enters upon his duties at once.

## Our Midnight Dispatches.

### CONGRESS—IMPEACHMENT.

WASHINGTON, April 4, P. M.

The Senate went into executive session to-day to remove secrecy from certain Executive documents which the impeachment Managers wanted.

Impeachment was resumed.

Reporters were examined relative to the President's St. Louis speech, and a copy admitted as evidence.

Mr. Cherr, Chief Clerk of the State Department, was examined, relative to the routine of commission. Change in the form of commissions, conforming to the tenure-of-office Act proved.

A letter from the President to the Secretary of the Treasury, advising him of Stanton's removal, in conformity with the tenure-of-office Act, was admitted.

The correspondence between President Adams and Mr. Pickering, and Adams' message to the Senate, announcing Pickering's suspension, in 1800, were admitted.

Butler here announced that they had closed the case, except cumulative evidence.

The defence asked for an adjournment until Thursday, to prepare and arrange their evidence.

Conness moved that the Court adjourn to Wednesday. Cries of "shame" and "give them the other day."

Mr. Johnson moved to amend, by adjourning to Tuesday. Carried with but two negatives.

The yeas and nays were demanded, but Conness accepted Johnson's amendment, when the final vote was taken and the Court adjourned to Thursday.

The Senate immediately adjourned to Monday.

### FROM WASHINGTON.

WASHINGTON, April 4, P. M.

Half a million of Government securities were destroyed this week.

Revenue to-day $658,000.

The closing of the prosecution, to-day caused astonishment. The defence was not surprised in an instance, and the public are disappointed.

It seems to be admitted, on all hands, that Butler's management of the case has not strengthened impeachment.

Some claim that Butler gave undue importance to his own article (the tenth.) Others intimate that Butler is playing false, and that he intentionally made the proceedings farcical.

It seems certain that the Defence will now hurry the case to conclusion.

### VIRGINIA CONVENTION.

RICHMOND, April 4, P. M.

A communication was received from General Schofield, approving the ordinance for the issue of certificates of indebtedness, to pay the expenses of the Convention, but the approval extends only to the 6th, and the time for the redemption of the certificates is to be fixed hereafter by the General.

The Convention will probably have to levy a tax, if its session continues.

The report on representation was adopted.

General Schofield, to-day, made new appointments to the City Council. Among them are Collector Binford, Alex. Sharpe, Post Master Horace L. Kent, Wm. C. Allen, Geo. Smith and H. C. Clint n—all prominent citizens.

Senator Wilson, of Massachusetts visited the Convention to-day. He addresses the colored people on temperance, to night.

### FROM GEORGIA.

ATLANTA, April 4, P. M.

Meade has declared Irwin negligible and he has come down. Gordon will be put up.

### FROM ARKANSAS.

LITTLE ROCK, April 4, P. M.

The Legislature, under the new Constitution, assembled and organized, on yesterday.

### MARKETS.

NEW YORK, April 4, P. M.

Cotton excited and a cent better. Sales of 100,000 bales at 30.

Flour quiet and unchanged.

Turpentine 64@65. Rosin 3.37.

Gold 138. Governments higher, with improved demand. Money closes easier; Call 6.

BALTIMORE, April 4, P. M.

Cotton very strong—held firmly at 27½.

Flour active and firmer—not quotable higher.

THE CONNECTICUT election takes place to-day.

THE GREAT and paramount issue is: SHALL NEGROES or WHITE MEN RULE NORTH CAROLINA? All other issues are secondary and subordinate, and should be kept so.

The SUCCESS of the white men of North Carolina, on the 21st. of April, is a CERTAINTY, if they will all VOTE, as we believe they will.

## Gen. Canby's Election Order.

HEADQUARTERS SECOND MILITARY DIST.,
Charleston, S. C., March 25, 1868.

GENERAL ORDERS,
No. 45.

The Constitutional Convention of the State of North Carolina, in conformity with the Act of Congress of March 23, 1867, supplementary to the Act of March 2, 1867, "to provide for the more efficient government of the rebel States," having framed a Constitution and civil government according to the provisions of the aforesaid laws; and having by an ordinance adopted on the 17th day of March, 1868, provided that the said Constitution shall be submitted "for ratification to the persons registered under the provisions of this Act [March 23, 1867, Section 4] at an election to be conducted by the officers appointed or to be appointed by the Commanding General as hereinbefore provided, and to be held after the expiration of thirty days after the notice thereof to be given by the said Convention;" and having further provided, by the aforesaid ordinance, that at the same time an election shall be held for Senators and Representatives in the General Assembly, and for all State and County officers who are to be elected by the people under this Constitution, and further, that in each Congressional District of the State an election shall be held for a member of the House of Representatives of the United States Congress, It is ordered:

*First.* That an election be held in the State of North Carolina, commencing on Tuesday, the 21st day of April, and ending on Thursday the 23d day of April, 1868, at which all registered voters of said State may vote "For Constitution" or "Against Constitution," and also on the same ballot for the State and County officers and for members of the United States House of Representatives, as specified in the before cited ordinance.

*Second.* It shall be the duty of the Boards of Registration in North Carolina, commencing fourteen days prior to the election herein ordered, and giving reasonable public notice of the time and place thereof, to revise for a period of five days, the registration lists; and upon being satisfied that any person not entitled thereto has been registered, to strike the name of such person from the lists, and such persons shall not be entitled to vote. The Boards of Registration shall also, during the same period, add to such lists the names of all persons who at that time possess the qualifications required by said Acts, who have not already been registered.

*Third.* In deciding who are to be stricken from or added to the registration lists, the Boards will be guided by the law of March 2, 1867 and the laws supplementary therein, and their attention is specially directed to the supplementary Act of July 19, 1867.

*Fourth.* Any duly registered voter of this State who may have removed from the County in which he was registered, shall be entitled to vote in the County to which he has removed and has resided for the ten days next preceding this election, upon presentation of a certificate of registration from the County in which he was originally registered, or upon his affidavit or other satisfactory evidence that he was so registered, and that he has not voted at this election. It shall be the duty of the Registrars, upon the application of any duly registered voter who has removed or is about to remove from the precinct in which he was originally registered, to furnish him with a certificate that he was so registered, and to note the fact in the registration books of the precinct. In default of the certificate, the affidavit of the voter must set forth the County and precinct in which he was originally registered and the length of time he has resided in the County in which he desires to vote. In doubtful cases, the Registrars or Inspectors of election shall require such additional evidence as may be necessary to satisfy them that the applicant is legally entitled to vote. Blank forms for the certificates and for the affidavits herein required, will be furnished the Registrars and the inspectors of election, and when used will be attached to the ballots cast by such voters, and will be transmitted to District Headquarters with the returns required by law.

*Fifth.* The said election will be held in each County at such places as may hereafter be designated, under the superintendence of the boards of Registration as provided by law, and in accordance with instructions hereafter to be given to said Boards in conformity with the Acts of Congress and as far as may be with the laws of North Carolina.

*Sixth.* The polls shall be opened at such voting places at six o'clock in the forenoon, and closed at six o'clock in the afternoon of each day, and shall be kept open during these hours without intermission or adjournment.

*Seventh.* All Judges and Clerks employed in conducting said election shall, before commencing to hold the same, be sworn to the faithful performance of their duties, and shall also take and subscribe the oath of office prescribed by law for officers of the United States.

*Eighth.* No member of the Board of Registration, who is a candidate for election to any office to be filled at this election, shall serve as a Judge or Inspector of Election in any precinct which he seeks to represent.

*Ninth.* The Sheriff and other peace officers of each County are required to be present during the whole time that the polls are kept open, and until the election is completed; and will be made responsible that there shall be no interference with Judges of Election, or other interruption of good order. If there should be more than one polling place in any County, the Sheriff of the County is empowered and directed to make such assignments of his deputies, and other peace officers, to the other polling places, as may in his judgment best subserve the purposes of quiet and order; and he is further required to report these arrangements in advance to the Commander of the Military Post in which his County is situated.

*Tenth.* Violence, or threats of violence, or of discharge from employment, or other oppressive means to prevent any person from registering or exercising his right of voting, is positively prohibited; and any such attempts will be reported by the Registrars or Judges of Elections, to the Post Commander, and will cause the arrest and trial of the offenders by military authority. The police officers of cities and towns, and the Sheriffs and other peace officers of Counties, will be held responsible for the strict enforcement of this prohibition, and will promptly arrest and hold for trial all persons who may transgress it.

*Twelfth.* Military interference with elections, unless it shall be necessary to repel the armed enemies of the United States, or to keep the peace at the polls," is prohibited by the Act of Congress approved February 25, 1865, and no soldiers will be allowed to appear at any polling place, unless as citizens of the State they are qualified and are registered as voters, and then only for the purpose of voting; but the Commanders of Posts will keep their troops well in hand on the days of election, and will be prepared to act promptly if the civil authorities are unable to preserve the peace.

*Thirteenth.* The returns required by law to be made to the Commander of the District of the results of this election, will be rendered by the Boards of Registration, of the several Registration precincts through the Commanders of the Military Posts in which their precincts are situated, and in accordance with the detailed instructions hereafter to be given.

NEW ARRANGEMENT

FOR THE

# SENTINEL.

Published in the City of Raleigh, N. C.,
Daily, Semi Weekly and Weekly.

William E. Pell, } Editors.
Seaton Gales, }

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;
Obedience to law and the enforcement of order;
The supremacy of the civil over the military, in time of peace;
The equality of the three co-ordinate branches of the government;
The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;
The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;
Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.

Terms:

| Daily Sentinel, for one year | $8 00 |
| " " six months | 4 00 |

| " " three months | 1 00 |
| Weekly " for one year | 2 00 |
| " " six months | 1 00 |

All subscriptions strictly cash in advance.

As an advertising medium, the SENTINEL is equal to any in the State. Terms moderate.

☞ We ask every Conservative in the State to become our Agent to extend the circulation of the SENTINEL. The events of 1868 will be exciting and important. The WEEKLY SENTINEL should be in the hands of the great body of the people—The terms are now so low that every one will be able to pay for it.
